# QUOTING PROCEDURE

---

Rate pages are not available for this program.

Quoting and issuance of policies will only be available through **modernLINK®**. If you do not have access to our Award Winning website, you may call Customer Care or your General Agent, whichever applies.

In **modernLINK**, an accurate quote will be ensured by entering all of the requested information. After the **ELIGIBLE PROGRAMS** page, you will be asked to verify some information about the applicant before the Insurance Score is ordered. On this page is our disclosure to the insured that credit history as well as other third party reports may be ordered. **You must read this statement to the insured before proceeding.** Below is the text you will see:

***In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score. We may also obtain loss history and other consumer reports using a third party. The above information may be used to develop your premium or to determine your eligibility for insurance.***

Based on Insurance Score, if the quoted customer is not receiving the best rate, they must receive a Fair Credit Reporting Act notice. This is true even if they do not wish to proceed with the quote. **modernLINK** will print this notice when a quote or application is printed, or can be printed alone. If you are receiving a quote by phone, this notice will be faxed to you to give to the customer. If the customer is not in your office, you will need to mail the notice to that customer. This procedure satisfies the requirements of the Fair Credit Reporting Act.

“**Fair condition**” means the home is structurally sound with no visible sagging porches or rooflines. A home in fair condition may also need cosmetic repairs such as paint, missing shutters, or other items that may affect the visible condition but does not affect the integrity of the structure.

“**Unacceptable condition**” includes, but is not limited to, broken or boarded up windows, unrepaired vandalism or damage, sagging porches and roofs, or excessive debris in the yard. For vacant homes, the dwelling must show signs of continued maintenance such as mowed lawns and yards relatively clean of debris.

Please include insured's name and quote number on the email.*

# RISK CHARACTERISTICS (CONT.)

---

## Short Term Rental

The following applies to Rental DP-1 and DP-3.

- ◆ The Lease Term must be less than 3 months and can be a weekly rental.
  - ◆ Insured lives within 100 miles of the property or the property is managed by a property manager.
  - ◆ Vandalism and Malicious Mischief Tenant exclusions will not apply.
  - ◆ DF003 (03/91) Reduction in Coverage when Vacant or Unoccupied will not apply.
- 

## Stand Alone Other Structures

- ◆ **Structure Endorsement –DPB00 (06/08)**
    - The Structure Endorsement will provide coverage for structures used for seasonal purposes such as camping structures, casitas, boat houses (no living quarters) or covered boat slips and also structures like pole barns.
    - Coverage A will be provided on these risks with the same options available in our Seasonal DP-1 Program.
    - When the Structure Endorsement is attached, we allow boat house structures and covered boat slips to be written. No liability is available for boat houses/covered slips. Please note: For mechanical lift coverage, please see our First Choice Watercraft Program for coverage availability. We also permit the open pier and stilt structures for these risk.
    - When 2 or more structures need to be insured on the same premise and neither is a dwelling, the largest structure should be insured as the Coverage A with the Structure Endorsement. The 2<sup>nd</sup> structure should be written as Other Structure Coverage on the same policy.
  - ◆ **How to Bind Stand Alone Other Structures**
    - Select Seasonal Occupancy DP-1 in modernLINK
    - On Coverage Page, answer yes to either of these risk code questions:
      - Is the dwelling Coverage A amount being requested for an Other Structures only policy such as a pole barn, storage building or camping structure?
      - Is the structure a boathouse or covered slip without living quarters?
    - Finally, provide a description in the memo field of the risk.
  - ◆ **Risk Code OS - Other Structure or SB - Boat Slip**
- 

## Vacant Home Builder's Risk Renovation Coverage

Builder's Risk Renovation is intended for Vacant Homes that are undergoing major renovations or completion of new construction (home must be fully enclosed). The endorsement will allow you to insure the renovation amount prior to completion. The total dwelling limit requested in mLINK should include the amount of renovation. A separate question will be asked for the renovation limit. The renovation limit will be used for underwriting and claim purposes.

The endorsement includes coverage for scaffolding or temporary building constructions. Theft of Building Materials is covered up to a \$5,000 limit. If Premises Liability is purchased, Independent Contractor's liability is excluded.

Upon completion of renovations, the Builder's Risk Coverage must be requested to be removed by the insured.

- ◆ **Examples of when the Builder's Risk Renovation could be endorsed:**
    - Homes that have just been purchased undergoing major renovation.
    - Unfinished newly constructed homes that have been purchased out of foreclosure or bankruptcy prior to the home being 100% complete by the builder. The endorsement would cover the home while undergoing its final construction. The home must be fully enclosed.
- 

## Vacancy Permission Endorsement DP-1 and DP-3

Vacancy Permission allows an owner, rental, or seasonal home to be temporarily written as a vacant home. When an owner, rental, or seasonal home goes temporarily vacant this endorsement can be added to prevent having to cancel and rewrite the policy. Once the home is no longer vacant the endorsement just has to be removed and the policy will switch back to the original owner, rental, or seasonal dwelling.

- ◆ **DP-1** – The agent is writing a new policy for an insured and the home is currently vacant, perhaps being renovated or in the process of trying to rent it out, and the plan is for it to be either a rental, owner, or seasonal in the future.
- ◆ **DP-3** – This option is available for DP-3 as long as the risk itself qualifies for a DP-3 per the Underwriting guidelines (in other words, no homes under renovation, home must be in above average condition, age of roof and home quality, etc.)
- ◆ **DP-3** – In modernLINK, simply enter a quote like a typical DP-3 Owner, Rental, or Seasonal. Then on the Coverage page select the Vacancy Surcharge coverage. This coverage will treat the policy as a DP-3 vacant.
