

Downloading Policy Data into Agency Management Systems

Policy Download

Team-Up Download

Assurant Specialty Property provides download services through Connective Technologies, Inc., Team-Up, a third party vendor. They currently support 41 different agency management systems and are adding more every week. To learn more about Team-Up, please view the following URLs:

- Connective Technologies - Team Up Home Page: <http://www.connectivetech.com>
- Supported Agency Management Systems:
http://www.connectivetech.com/teamup/dl_agency_systems.asp

Policy Download Benefits

Policy download will provide time savings and more complete data in your agency management system by eliminating duplicate entry and providing complete ACORD standard data.

Requesting Policy Download
