The policy download is an electronic transfer of policy information from American Modern's modernLINK® quoting tool into your internal agency

## **AMERICAN MODERN DOWNLOADS**

### STEP 1: Sign up for the Policy Download

1. [www.amig.com](http://www.amig.com)
2. Click on Just for Agents (upper right-hand corner)
3. Click on Agent Tools
4. Click on Download to your system
5. Click on Sign up for the Policy Download
6. Complete request and submit

STEP 2: Once AMIG has processed the request, the sub will receive the following email:

Our system has been setup to transmit your policies as soon as you have prepared your system to receive the download.

You will find our download manual at [www.amig.com](http://www.amig.com) which provides setup instructions that you must complete before we can initiate the download process. For instructions on retrieving the download manual follow these steps:

1. Just for agents (top right of site)
2. Click on Agent Tools
3. Click on Download to your system
4. Read the set up Manual

\*\*\*\*\*Please EMAIL [systemsupport@amig.com](mailto:systemsupport@amig.com) when your system preparation is complete. Once we receive your response, we will finalize your download setup.\*\*\*\*\*

If we do not receive a response within 2 week your request will be cancelled.
